Minutes, 11/14/18 11:00 AM

Attending: Brian Krieger (representing Media Properties), Bill McClancy (representing TAG), Jon Morris (ADV), Houston Wells (TEL)

Committee convened at 11:00 AM.

Minutes from September 18, 2018 meeting were reviewed and approved.

Houston Wells reported that incremental replacement of the hard drives in the iMacs in 3324 is ongoing.

Jon Morris reported with information about the Jerry Davis funds; categories and distribution amounts from fiscal years 2017 and 2018 as reported by Jeffrey Pole (CJC Director of Finance.)

Houston Wells reported that the "Lunch and Learn" presentation planned for late October was postponed, possibly until spring 2019.

Brian Krieger reported to the committee on recent upgrades to Weimer 3032. The projector and control cart have been upgraded, although the projection screen would ideally be a 16 by 9 screen as opposed to the current 4 by 3.

Bill McClancy will look into getting a new screen installed in 3032.

Houston Wells conveyed a request by Michael Weigold to look into technology needs for instructors of UF Online courses in the college. Houston will prepare a general questionnaire for developers/instructors of online classes to study their technology support needs, to be distributed within the various departments by the respective Technology Committee members.

Meeting adjourned at 11:25.
