

CJC parking options for adjunct instructors

Campus pass options:

All of the below are options if adjuncts qualify (eg. handicap and carpool requirements would have to be met). According to Parking & Transportation, the adjunct would need to check with the department to see if they are already in the job data system and if they are eligible for payroll deduction or not. If they are eligible for payroll deduction, and are in job data, they can order the pass online.

If they are not yet in job data, they need a letter or copy of the contract/signed letter of offer and can go in to the Parking & Transportation office with a picture ID and license plate number (of the car registered to them or an immediate family member).

The walk from the commuter lot across from Parking and Transportation to Weimer is 8-10 min.
