

SPE Committee Report 2018-2019

Members: Sylvia Chan-Olmsted, Sandi Chance, Linda Hon (chair), Jon Morris

The SPE Committee received the names of faculty to be reviewed April 9. The SPE Committee met April 29 and reviewed the annual evaluations for the specified period (last six years) for five faculty members. SPE Committee members voted, and the results of the vote were shared with Executive Associate Dean Kiouisis.

The Committee recommends that the Faculty Senate include the SPE process as an agenda item for a fall faculty meeting and discuss the process for notifying candidates and the evaluation criteria used in the annual evaluation. Hon agreed to follow up with the Faculty Senate chair in August.
