

# **Research Committee Meeting Notes**

Wednesday, September 4, 2019

11:00 a.m., Weimer 2008

- I. Meeting called to order by Tom Kelleher
- II. Fall meeting times  
Committee will try to meet the first Wednesday of the month at 11 am unless there is the need to meet at other times to review proposals for awards or other urgent matters. The meetings will remain as scheduled (weekly) and will be canceled and confirmed as needed.
- III. New moonshot Initiative – Due date: November 1, 2019  
CJC is allowed to submit one multi-disciplinary, multi-investigator, innovator research proposal. Team must identify a sponsor on the proposal who is interested in taking the research further after UF funding has been utilized. Faculty with administrative appointments (including Deans) do not qualify to apply.  
  
Actions:
  - Call a meeting to present the initiative and ask for interest and explore ideas. Identify possible scholars to be invited to the meeting.
  - The Research Committee members will recommend the most ideal proposal to be pursued.
  - Include the information in Yulia's workshop: *UF Research Opportunity Seed Fund Proposal* on September 10, 2019?
- IV. Faculty awards – nominating/tracking
  - Identify national awards for faculty such as ICA and NCA Fellows, AEJMC and AAA awards to nominate candidates.
  - Research committee members will email possible nominees and award alternatives.
- V. Brownbag Meetings
  - Schedule meetings once a month on Fridays (tentative) and Wednesdays.
  - Inquire on interest on panel presentations for those who prefer this option vs. a single presenter option.
  - Inquire if Media Effects Lab, and PIC and STCC are interested in presenting.
  - Senior faculty presentations.
- VI. Other business
  - None
- VII. Adjourn
  - Meeting adjourned by Tom Kelleher at 11:30 am.
