- I. Meeting called to order by Tom Kelleher
- II. Minutes from 02/19/2020 meeting - approved

Option A- to get the most people active in research. Researchers can only hold one seed type award at a time.

Suggestions:

 - b. Preference for untenured tenure-track faculty
 - c. Ask applicants to disclose previous seed awards
- IV. Update on CJC Faculty Research Award
 - a. The committee needs to provide only one recommendation for the award
 - b. Awardee: Rita Men
 - c. Approved motion: Starting 2021 tenured and untenured tenure-track faculty will be considered for the separate awards. (Approved by dean via email 3/20, with caveat that financial award may be split.)
