I. Call to order

Kelleher called the meeting to order at 12:50.

II. Approve minutes from 03/10/2021

Ferguson moved to approve the minutes from March 10, 2021. Rodgers seconded, and the minutes were approved unanimously.

III. Julie Dodd Teaching Award and Outstanding Master's Student Award selection

Palani Te, student representative, was excused from the meeting due to the nature of the agenda item—student awards.

Committee members discussed the applicants for the Julie Dodd Teaching Award and the Outstanding Master's Student Award. The first thing mentioned in the discussion was from Rodgers, "What a bunch of brilliant students we have." Everyone agreed. It was suggested that we have two winners for the master's student award—an online student and an on-campus student. This will be reviewed at a later time, for now there will continue to be only one winner.

Voting members of the committee selected Moritz Cleve as the Julie Dodd Teaching Award winner and Noura Ibrahim as the Outstanding Master's student. Kelleher will notify the students of the decisions and the names should remain confidential until that time.

IV. Other business

In recent town hall meetings, students asked if a list of courses taken outside the CJC by our students could be established. That list was compiled after Kelleher conducted a Google form to have students list courses they have taken. It was determined that the list will not be published on the CJC website but will be sent to faculty for advising purposes.
