

AY22 Annual Report – Sustained Performance Evaluation Committee

Members: Amy Jo Coffey, John Freeman (chair), Linda Hon, Debbie Treise

The Sustained Performance Evaluation Committee met via email several times during the past academic year. Spiro reported that we had no cases to review. The committee did review current guidelines from Human Resources at the University level which we feel continue to be adequate in the CJC: [ARTICLE-18.pdf \(ufl.edu\)](#) There was some concern that SB 7044 (which passed 22-15 in the Senate and 77-40 in the House) would allow the Board of Governors to institute its own review of tenured professors every five years, potentially politicizing tenure and sustained performance reviews.
