

CJC International Committee
03/03/2023
Meeting Minutes

1. Welcome / Minutes Approval

Meeting started at 9:36.

Committee members present:

- Admin representative: James Babanikos
- Faculty representatives: Roxane Coche, Kasey Windels, Pat Ford
- Staff representative: Max Williams
- Student representatives: Noura Ibrahim, Ernest Makata, Manuel Tuñez

Also present: Coche's graduate assistant Hadeel Alhaddadeh

Members absent: Norm Lewis and Alexia Bérenger

Windels made a motion to approve the minutes from the Feb. 10 meeting. Babanikos seconded. Minutes were approved unanimously.

2. Update about CJC Senate

Coche attended the CJC Senate meeting on Feb. 24. She shared with them what the International Committee has worked on this year, notably defining objectives and action items. She said the committee would be grateful if the Senate could provide assistance in identifying faculty who would want to be involved in international partnerships with other universities as faculty engagement is key for the success of such agreements. She also shared the wish to have international visitors routinely and asked if the Senate can help on that front in any way. The Senate will discuss and get back to us.

3. International Education Week 2023

Coche invited CJC's Event Manager Jessica Osegueda to today's meeting, but Osegueda could not make it. CJC had multiple consecutive events over the past few weeks that have kept her very busy. Osegueda is instead attending our next meeting on April 7. Coche will introduce her to our student representatives next week so they can discuss ideas before we all resume IEW discussions in April.

4. Student Representatives 2023-2024

Our two graduate student representatives (Makata and Ibrahim) will remain on the committee next year. Our two undergraduate representatives (Bérenger and Tuñez) are graduating so we will recruit two new representatives. The application process will be a Google form asking students for their name, why they want to join the committee and a resume. Coche will share with Randy Bennett so it is added to the CJC communication that goes out to students and Babanikos will share with the Journalism and Communications Ambassadors adviser so all JCAs are aware of the opportunity. The committee will review applications in April.

5. Other business

Our April 7 meeting will start at 9:15 instead of 9:35 to ensure we have enough time to discuss student representative applications and IEW.

6. Adjournment

Meeting was adjourned at 9:58.
