Attending: Marcia DiStaso, Chris Chu, Benjamin Johnson, Chelsea Moss, Jieun Shin

- I. Minutes from Feb. 10 were approved
- II. Internal Grants Discussion – use a rubric that helps increased transparency. Consider external reviewers for bigger \$. Find out more then consider next steps.
- III. Research Events – weekly. Sharing work – grad and faculty. GSMCA has their work. Let’s combine and see how to partner. New faculty members....speak on their work? Or Job searching opportunities. Retiring faculty – Debbie “lifetime lessons” Ask faculty to nominate people from other uni.
- IV. Research Promotion – social – web submission box or email. Easy way to submit. Look at wording. Content isn’t research related & appropriate.
- V. Promoting SONA – as a requirement in intro? Evan and Lissy – and require in research classes. Carrots for use...
- VI. Ear-to-the-Ground – IRB issues. Have more support in dealing with IRB. Reddit approval issues and inconsistent. Some guidance and would love our own person. Amy Jo? Social Media policy! Good to promote non-academic careers...how to use research skills. Opportunity to connect with faculty and R&T students....Process and how to pick.
- VII. Other Business
- VIII. Meeting was adjourned at
