I. Call to Order

Goodman called the meeting to order at 1:02 p.m.

II. International Student Awards nominees

Goodman presented list of eligible students and reviewed criteria for nominating students. Committee members discussed the list of eligible students and nominated 2 Ph.D. students and 1 MAMC student. Walsh-Childers made a motion to approve the list of nominees. Hutchens seconded, and the committee approved.

III. Assessment – review SLO data

Goodman presented SLO data for committee review. The committee discussed the results of the data:

- Ph.D. SLO1 goal was not met – committee decides to monitor these results over the next couple years before taking any policy/procedure actions. Instructions will be provided to faculty during the next assessment term to ensure consistency in the review regarding how broad/narrow the evaluation is conducted.
- Ph.D. SLO2, SLO3, and SLO4: goal was met; no action taken.
- MAMC SLOs: all goals were met; no action taken.

IV. Other Business

Goodman provided an update from the prior meeting regarding student requests to transfer from the Ph.D. to the MAMC. According to the UF Graduate School, student must apply and be admitted to the MAMC; all credits taken during the Ph.D. program (other than MMC 7979/7980) will automatically accrue towards the MAMC degree because credit always accrue towards the first degree awarded. Goodman then posed the question: from an internal degree plan standpoint, what should we have them do? Committee proposes the student must work with the Graduate Coordinator and the ADGS on the requirements for completing the MAMC degree plan. Substitutions may be allowed at the combined discretion of the ADGS and the Graduate Coordinator. At a minimum,

the student must complete at least 6 credits of thesis research.

V. Adjourn

Goodman adjourned the meeting at 1:36 p.m.

In Attendance: Goodman, Dukes, Holloway, Kropp, Spiker, Chen, Feng, Hmielowski, Hutchens, Coche, Walsh-Childers, Patterson
