Minutes of Meeting

1. Welcome & Introductions

Meeting started at 9:35.

Committee members present:

- Faculty representatives: Norm Lewis, Kasey Windels
- Admin representatives: Roxane Coche, James Babanikos
- Staff Representative: Max Williams
- Student representatives : Noura Ibrahim, Ernest Makata, Cecilia Edelberg

Also present:

Babanikos made a motion to approve the minutes from the October 27 meeting. Coche seconded. Minutes were approved unanimously.

2. International Education Week

Coche informed us that several events had to be cancelled but she and Jess tabled at the UFIC event and promoted CJC study abroad programs. Research international workshop was well attended as was the caffeine with the dean event. Next year can hopefully be bigger with the lessons learned.

Makata thanked everyone's efforts and noted this was a successful first attempt at celebrating IEW for CJC.

3. Croatia Update

Williams states no applications for faculty and staff have been received. 5 student applications were received, and student applications were selected on a first come, first served basis. Both selected students were CJC majors and are working with UFIC to go.

4. Stuttgart Report

Coche went to Stuttgart to visit HdM, where Dean Brown has preexisting relationships with the faculty. Coche will present in the Spring more fully. Courses are selected on a "minors" basis, with all courses taught in English. There is a mixture of international and German students. The school is similar to CJC, although it is larger because it also focuses on printing. After completion of the semester, international students receive a certificate. She hopes there will be the opportunity to set up a regular semester-long study abroad exchange program and will present a proposal in the Spring

5. Other Business

Spring meetings will occur at 9:30AM on Friday, 1/19/24, 3/1/24, and 4/5/24.

6. Adjournment

Adjourned at 9.50.
