

MPMT Department Faculty Meeting
January 2024
Email Minutes

During the curriculum and teaching committee, it came to light that the Department of Journalism has courses with similar-ish names to the proposed VIC3001 replacement name (Visual Storytelling): 1) Visual Journalism and 2) Video Storytelling.

To avoid any confusion, the new proposed name, sent by email, is "Concepts in Visual Storytelling."

Wells moved to request a permanent course number with this new name. Sorel seconded.

The vote took place using a Google Form on Jan. 15-16, 2024.

13 of the 15MPMT faculty members participated, and the motion passed:

How do you vote on naming the department's VIC3001 replacement course "Concepts in Visual Storytelling"?
